

Dream Line Music Magazine supported by BGLOT investment company

Dream Line Music Magazine [Http://www.dreamlinemagazine.com](http://www.dreamlinemagazine.com) is a popular music magazine published monthly in the United Kingdom and Bulgaria.

Music is an art, entertainment, or other human activity which involves organized and audible sound, though definitions vary.

Magazine is a periodical publication containing a variety of articles, generally financed by advertising and/or purchase by readers.

Following the success of other e-book publishings, BGLOT AD were looking for a title which would cater for the burgeoning interest in popular music.

Dream Line Music Magazine was first published in January 2009.
